

North County Land Trust

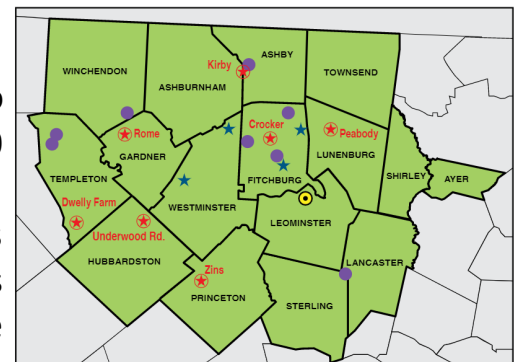

2021 Rock & Laurel 5K Trail Race

Support healthy and resilient communities!

North County Land Trust (NCLT) is asking local businesses to partner with us as sponsors for the 2021 Rock and Laurel 5K Trail Race on Saturday, June 26, 2021. The race will take place on the beautiful trails at Crocker Conservation Area in Fitchburg, MA. This 5K trail race/walk, to benefit North County Land Trust, will wind through the scenic trails lined with the mountain laurel in bloom.

North County Land Trust is a non-profit that works to protect land through conservation. We manage over 1,500 acres of land and many miles of public trails. As a regional resource in north central Massachusetts, our work benefits the health and well-being of our community, manages natural resources and wildlife, and preserves the sustainability of our planet. Land conservation plays a significant role in human health and well-being, sustainable economic development, and climate-resilient communities.

Funds raised from this race will help North County Land Trust continue the important work of land conservation in our region to protect the natural world for the greater good of all.

In appreciation for your generous support, we will promote your sponsorship in a variety of ways: banners, race shirts, the NCLT website, social media, etc. *In addition to sponsorships, we are also seeking donations of items for race winner and raffle prizes.*

If you are interested in supporting the race, please complete the sponsor form (on back) and return to North County Land Trust, 325 Lindell Avenue, Leominster, MA 01453.
